AT HOME IN THE HEART OF THE CITY

UPBANCORP'S MISSION IS TO SUCCESSFULLY DEVELOP RESIDENTIAL COMMUNITIES IN ESTABLISHED NEIGHBOURHOODS IN THE GTA, WITH UPFRONT VALUE FOR THEIR HOME OWNERS.

Guided by this mission, Urbancorp is proud to have created some of the most visionary home and condominium communities in the GTA. With The Townhomes of Hoggs Hollow, Urbancorp created a luxury new home development adjacent to the York Mills subway station.

As the premiere developer of the King West neighbourhood, Urbancorp transformed the old industrial lands of King Street West into the vibrant residential community of King West Village, including Bridge, Fuzion and, the latest, Kingsclub Condominium. In the West Queen West neighbourhood, Urbancorp built Westside Gallery Lofts, Curve and, most recently, Edge and Epic on Triangle Park.

Urbancorp has built thriving new communities in other up-and-coming Toronto neighbourhoods. The Neighbourhoods of Queen Street East

is comprised of three stunning new home communities along the Queen Street East corridor. With locations in Riverdale, Leslieville and The Beach, The Neighbourhoods of Queen Street East bring a fresh, modern vibe to the urban renaissance currently underway in Toronto's east end.

In central Toronto, Urbancorp's The Neighbourhoods of Downsview Park is one of the City of Toronto's largest residential developments. In Etobicoke, VAL offers cutting-edge home designs as one of the city's most convenient locations. In midtown Urbancorp continues its legacy of creating some of the most vibrant and innovative home and condominium communities in the GTA with The Homes of St. Clair West and the Ravines of Lawrence. In North York, at Bayview and The Bridle Path, Urbancorp's Homes of The Bridle Path puts its signature touch on one of the city's most sought-after addresses. With Ravine Homes of Buttonville, Urbancorp is excited to be taking part in the creation of one of the GTA's most visionary new neighbourhoods.
